
BEST EVER TRAIL MIX

 GF, VGN, RSF  5 mins  12

Ingredients

- *Roasted almonds*
- *Raw macadamias*
- *Raw cashews*
- *Raw brazil nuts*
- *Raw pecans*
- *Organic dried pear*
- *Organic turkish apricots*
- *Goji berries*
- *Cacao nibs*

* *I like to buy organic dried fruit with no added preservatives. The dried apricots don't look as bright, but believe me, they taste a million times better. I usually buy the 'Macro' brand organic turkish apricots.*

Method

1. *Mix together equal quantities of fruit and nuts, then add the gojis and cacao nibs. I would probably add ½ a cup of each fruit and nut and a couple of tbs of gojis and cacao nibs.*
2. *Store in an airtight jar or pack into a brown paper bag for the perfect snack on the go!*
